**CATSKILL GIRLS LOSE
DONOR OF JOY RIDES**

Dashing Autoist, Who Courted
Mountain Maidens, Accused of
Forging Check to Buy Car.

Joy riding with farmers' daughters in the Catskills proved the undoing of Stewart M. Greenberg, twenty-five years old, of No. 1209 Lincoln Place, Brooklyn. It landed him in Police Headquarters, whence he was sent to-day to the West Side Court, charged with obtaining an automobile from the Chalmers Company at Fifth Street and Broadway by giving a worthless check with a forged certification.

After the check had been returned as worthless, salesmen of the company who sold Greenberg the car identified his picture in the Rogues' Gallery, the police say.

"You'll find him with a girl," was the advice Inspector Cray gave Detective Fitzpatrick and Levitt when they started out to look for him.

The detectives learned a dashing young man was taking the girls in the Catskills on joy rides. They trailed him. Yesterday morning they arrested Greenberg on a mountain road as he was returning in a car from a ride with a fair country maiden.

Greenberg was held by Magistrate

Cobb under \$2,000 bail for examination Wednesday. According to the police, Greenberg has served a term in Elmira and since his release has frequently made speeches to former prisoners at meetings before the Board of Parole, urging them to reform and "go straight," as he said he had done.

**STOPS ANY COLD
IN A FEW HOURS**

"Pape's Cold Compound"
opens clogged nose and
head and ends gripe.

Relief comes instantly.
A dose taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.—Advt.
